Crystal River Woman Arrested on Several Drug Charges

Early this morning, detectives with the Citrus County Sheriff's Office executed a search warrant at 1104 SE 1st Street in Crystal River. Inside detectives found a stockpile of illegal prescription narcotics, as well as methamphetamine and LSD. Members from our Tactical Impact and Forensics Units searched the home carefully for hazardous materials, after it was learned that a small trace of Fentanyl was found inside the home. The homeowner Debra Wells, 48 from Crystal River, was arrested and taken to the Citrus County detention facility with a total bond of \$65,000.

Arrest charges:

Possession of controlled substance with intent to sell methamphetamine

Possession of controlled substance with intent to sell alprazolam

Possession of controlled substance with intent to sell suboxone

Possession of controlled substance with intent to sell methadone

Possession of controlled substance with intent to sell oxycodone

Possession controlled substance LSD/ACID

Operate a drug dwelling

Possession of a firearm in commission of felony

Possession of paraphernalia
