Protect Your Boat From Theft

The Citrus County Sheriff's Office has noticed an upswing in stolen boat motors and thefts related to water vessels. Use these tips to ensure you don't become a victim.

- Use tongue locks for boat trailers
- Chain the trailer to a tree
- Trim the motor down
- REMOVE THE KEYS
- Consider motion lights
- Park your boat in a well-lit area
- Engrave your motor with a personal identifier
- If you have surveillance cameras, use them!

As always, if you see something, say something. Call 911 to report any suspicious activity.
